FRIDAY JULY 2nd 1943

NUMBER 11

Church Welfare Milk Day Next Monday

Monday next is Church Welfare Milk Day. Every person throughout the Taylor Stake is asked to contribute milk, the Sunday night and Monday morning milking, in whole or in part to the Welfare Milk cause. This milk will be gathered at the Raymond Cheese Factory and there made into cheese for the Storehouse of welfare products and given out as needed.

This is an opportunity for everyone with milk to assist this cause. Each ten pounds of milk makes about one pound of cheese, so that ten thousand pounds of milk gathered in that day for welfare work will mean one-half ton of cheese for the welfare store room. Do your bit and see that your donation of milk reaches the Cheese Factory by nine o'clock Monday morning, sweet and clean. Do not mix warm and cool milk in the same can. If you mix it wait until the new milk is well cooled down before you pour it in with the milking before. Put the cover on the can TIGHT as soon as you put the milk in to keep the cream which rises from becoming hard, as this from mixing freely with milk again, even when shipped up.

This is your opportunity to help the welfare work without any great inconvenience to you. You're milk will be expected Monday morning.

FARM MACHINERY MUST BE CARED FOR

ITS IMPORTANCE IN WINNING THIS WAR CANNOT BE OVER ESTIMATED

We should all recognize that every piece of machinery that is designed to help win this war is actually an engine of war. That is why farm equipment comes in the class. Because every piece of farm machinery that is helping to produce food, is doing a job just as vital as any tank or plane that goes into action. Feeding the world has become problem No. 1 in the life of the Canadian farmer, and all his farm equipment must stay on the job to meet that need. One of the

Fisher Family Reunion

A very pleasant and happy time was had at the home of Mrs. Elizabeth Fisher on Tuesday, June 29th, when a reunion was held of Mrs. Fisher's family.

The hostess, who has now reached the age of 76, was indeed gracious and hospitable. The afternoon was spent in telling stories and reminiscing of days gone by and in taking pictures. In the evening a Theatre party was held in the Capitol Theatre.

Those present included: Mr. and Mrs. W. Shields of Warner, Will Fisher and his new bride from Vancouver, B. C., Mrs. Blanche Scoville from Salt Lake City, Neil Fisher and wife and two daughters from Missoula, Montana; Mr. and Mrs. Dell H. Ellison from Waterton Lakes, Mrs. Margaret Swanson from Winnipeg, and Mr. and Mrs. Lee Brewerton and Mr. and Mrs. Lou Fisher of Raymond.

It was interesting to note that all her immediate family was present for this occasion, and considering the various places from whence they came, distance made no difference to them in their desire to attend this reunion.

Mrs. Ernie Organ is still in the Hospital but is improving steadily and is expected home about two weeks. We wish her a speedy and complete recovery.

Most important factors in keeping farm machinery operating regularly and efficiently is proper lubrication. As a matter of fact, unless this care is given, costly breakdowns may result. To assist the Canadian farmer in keeping his farm machinery up to par, McColl-Fontenay Oil Company Ltd. has a Representative in this district who is prepared to advise farmers on the operation and preservation of farm machinery.

Support The Hospital --We Need It

We hope that everyone who reads this paper has given serious thought to this question. We hope too, that every taxpayer, who in his own family or the family of his sons or daughters, has made up his mind to vote "Yes" to the hospital issue when it comes to a vote. We also hope, that those who individually may feel that they will have no need for the services of a hospital in our district, will take some thought of those who do need it, and sanction its establishment from a standpoint of Christianity and service to their neighbors, acquaintances and friends.

We have talked with a few whose taxes will be increased two or three times the cost of the minimum \$10.00 contract, and who, because of this have expressed themselves as definitely opposed to the entire plan. Another party in about the same category respecting taxes remarked that he thought the burden should be more evenly distributed, and he would like to know more about the details. Every effort has been, and will be made to even the burden, but there are many who need the benefit of the minimum contract and the services and protection that Municipal Hospital if located here would give these people, would be worth many times its cost. However, these people, at least many of them will make a far greater sacrifice to pay their \$10.00 than many of the others of us would make to pay our five or even one hundred dollars. In contrast to all these opinions, another Raymond taxpayer expressed himself that added taxes on his property in and out of town would be at least \$65.00 but he would be very pleased to pay it if we could get a Hospital that would care for our sick and injured people.

There are many, many arguments for a Hospital. As we see our Doctor spends at least half his time on the road. One two, three and occasionally four trips a day to Lethbridge, besides the travelling in and around the town to care for patients. Add the financial cost of this driving to the value of the time spent which could be used for service to his patients, and whoever the Doctor is, he is spending his and fatiguing hours trying to render service to us all. There are frequently times, though fortunately ours have been few, when immediate hospitalization and treatment will save a life or lessen the duration of an illness. Then too, each day sees the travel situation more exacting. Thin tires, shortage of gas and inability to replace either, makes a twenty mile trip to the Hospital a big problem. This means that people who go there are denied the privilege of visitors except at rare intervals, and the loved ones who would like to visit are unable to do so. Elderly people in organized Hospital districts find it very convenient to check into the Hospital occasionally for a few days when they are ill, unfit and he built up under the professional care of their Doctor.

These are only a few cases in point. They could be multiplied indefinitely showing good and logical reasons why we need a Hospital. The present outlined district has a population, not counting any temporary residents of 4,700. We are growing steadily as intensified farming is introduced. A Hospital in our district would be an added inducement for prospective residents to settle here. You need to have neighbors near by, and under the Municipal plan a few dollars on the part of each of us will give us an institution worth many times its cost in the service it offers to those who need it, and none of us know when it will be our turn. Boost the plan and let's put it over.

NEWS NOTES

Oscar Johnson is on crutches suffering with an attack of Bakersy in his right knee. The interior of the Home Monday with a fresh coat of paint.

Mr and Mrs. E. E. Jensen were Cardston visitors Tuesday evening.

The Fox Foto Studios are here for a few days in the Fromm Block. Read the ad in this issue of the Recorder.

Mr and Mrs. A. J. Garner and family are enjoying a visit from Mrs. Garner's mother, Mrs. O. Nielson of Cardston.

On a photo of the 6th Deck been accountant in the local Precinct in the window of the Treasury Branch for the past A & T Shop we noticed Sam Dyson Bert Pisgrass, one of the local Jap boys and one of two others we believe are from here. They all seem to be looking fit and well.

Dennis Lafferty, who has been in Honolulu, Hawaii for the past several years is home again visiting Raymond. He says the regulations are pretty rigid in the Islands because of the war, but life goes on as usual and he is enjoying himself in his work.

A shower was held at the Paul Redd home Monday evening honoring Miss Margaret Brandley, daughter of Mr. and Mrs. Louis Brandley, who is to be married next month. A large number of friends gathered to enjoy the evening and Margaret was the recipient of many lovely presents.

Bank of Montreal Crop Report, June 24

GENERAL — In the Prairie Provinces, crop conditions are generally favourable, although the season remains somewhat later than normal. Early cool weather promoted sturdy growth, and recent higher temperatures, prevailing over most of the Prairies, have stimulated development. Crops are generally well stood and healthy and early-sown wheat is entering the shot blade stage. Moisture reserves are satisfactory in Manitoba and most of Saskatchewan, but good rains are urgently needed in the southeast area of Alberta. Weeds are prevalent in some districts. Insects have caused slight damage. Pastures are in good condition. In the Province of Quebec, the season is still from two to four weeks later than normal and seeding and planting have not yet been completed. Heavy rains have caused serious damage to crops and delayed operations generally. Pasture and hay lands look promising. Orchards are in satisfactory condition and small fruits show promise. Warm, dry weather is currently needed in most districts. In Ontario, better weather has prevailed since the beginning of June and prospects for all crops have improved materially, but the season remains about three weeks later than normal. Seeding of spring grains is practically completed and planting of corn and roots is well under way; recent growth has been good. Hay and clover crops and pastures have made excellent progress. In the Maritime Provinces, seeding and planting are still uncompleted, but hay lands are showing good growth, and in apple orchards there is evidence of a good set following heavy bloom. In British Columbia, all crops are late and in general, below normal. Bloom in apple orchards was followed by a fairly heavy drop and the outlook is for a crop 50 percent to 75 percent of average.

NEWS NOTES

Bill Christensen of Lethbridge was a Raymond visitor on Tuesday.

Monday next is "Milk Day" for the cheese drive for the Stake Welfare program. Every one is asked to donate their Sunday night and Monday morning milk to this cause.

Mr and Mrs. H. Dean Rolfson and Lyman H. Jacobs are in Edmonton where Dean and Lyman are marking Departmental examination papers and Mrs. Rolfson is spending the month visiting.

The United Church Sunday School picnic was held at the Balderson farm Saturday afternoon. The weather was ideal and the kiddies had a lovely time in games and enjoying their refreshments.

E. M. Kiddle has purchased the home on 1st West built a few years ago by D. M. Watson and is building on to it preparatory to moving in. Tom Roberts and his crew started on the addition Monday.

Irrigating has been the order of the day for the past ten days. Despite occasional showers which have kept things from burning, gardens and fields are very dry and irrigation is necessary. Rain is needed, and damage to crops will be noticeable before many days if it keeps dry.

PRAIRIE PROVINCES

Alberta—Crop conditions generally are fairly satisfactory. While late seeding and continued cool weather have retarded growth, recent higher temperatures brought improvement. With the exception of the south-east area, where rain is urgently needed, moisture supplies are adequate for the present. Damage from pests and other sources is moderate. Sugar beets are progressing favourably. Saskatchewan—Crop prospects remain favourable although rain would be beneficial in some districts. The season is somewhat later than normal, but recent higher temperatures have promoted rapid growth. Crops are standing well and early sown wheat is coming into shot blade. Some damage is reported from cutworms and wireworms in the southern area. Pastures have improved. Manitoba—Crop prospects are favourable. Although the season is later than normal, recent warm weather has been very beneficial and crops are showing an even healthy growth. Early-sown wheat is coming into shot blade. Moisture conditions are good. Damage from insects is small. Sugar beets are progressing satisfactorily in the drier areas. Pastures and hay crops have shown good improvement.

DOMINION DAY

Again this year, while Europe Asia, Africa and many of the islands of the seas are in the throes of war with their activities circumscribed by regulations for safety of what they may and may not do, we in Canada celebrate Dominion Day, our National holiday in peace, in quietude and comparative safety. How much do we appreciate these blessings? How much do we ponder the freedom the security, the peace and that is ours?

Well might we say, and well might we sing with heart and voice "O Canada, Our home and native land. True patriot love in all thy sons command," etc. True our men and boys are in the service, and are doing their share with honor and with glory. Our wives, sweethearts and daughters are joining the women's forces, are taking men's places in factory and field, to release men for active duty. True it is that our industries are geared to wartime needs and many of our fads and fancies are memories of the past. True also, that we have Victory Loans and War Stamp Drives to furnish the finance to keep the wheels of production moving, and true to income taxes and so on are biting into individual incomes and reducing the otherwise tremendous profits that occupation of today would show.

But aside from all this, our land to date has been safe from the pulverizing bombings and shellings that England, Australia, our island possessions, and Norway and the continent of Europe are getting, not forgetting Russia and her sacrifices in men and materials to carry on. Our fields still are left untouched to yield their harvest, our flocks and herds bear their increase to provide us with meat, milk, eggs, poultry, etc., for ourselves and our thousands in the service. Truly our hearts should overflow with gratitude on this Dominion Day for the multiplicity of blessings which we enjoy.

As Canadians, while we commemorate the day in programs and Stampade events and dancing, let us pause and lift our voice in prayer to the God of

NOTICE

In the Estate of Arnold H. Zabriskie, late of Raymond in the Province of Alberta, Accountant, Deceased.

NOTICE is hereby given that all persons having claims upon the estate of the above named ARNOLD H. ZABRISKIE who died on the 4th day of October, 1942 are required to file with the Executrix or the undersigned Solicitor, by the 7th day of August A. D. 1943, a full statement, duly verified, of their claim and of any securities held by them, and that after that date the Executrix will distribute the assets of the deceased among the parties entitled thereto, having regard only to the claims of which notice has been so filed, or which have been brought to her knowledge.

DATED at Raymond, Alberta this 21st day of June, A. D. 1943.

WARREN L. JONES,
Barrister and Solicitor
Raymond, Alberta
Solicitor for the Executrix,
Barbara G. Zabriskie.

Mrs. Alex Smith returned home Monday after a few days in the Lethbridge Hospital.

FARM WOMEN GET AID FROM EXPERTS

Five district home economists are now available in Alberta to discuss home making problems with groups of women. Nutrition, preservation of foods, sewing and other problems will be dealt with.

Home economists and the head quarters are: Miss McIntyre, Cids; Miss Ferby, Edmonton; Miss Anderson, Stettler; Miss Staples, Lethbridge and Miss Switzer covering all the province and giving instructions and demonstrations in sewing.

All are members of Olds School of Agriculture staff. Women who have special problems are invited to write to their nearest home economist.

Our Fathers, and of ourselves, for the shelter of His care and his unceasing love and attention to this wonderful Dominion of ours that stretches from ocean to ocean along three thousands miles of unguarded frontier which yields a variety of products of the soil that verily makes us the bread basket of the world. Long live Canada, and long live the peace, prosperity and happiness which we enjoy.

PLAN OF THE PROPOSED Raymond Municipal Hospital District Notice to Ratepayers

In accordance with the provisions of the Municipal Hospitals Act R.S.A. 1942, a request was received on July 15th, 1942 by the Minister of Health at Edmonton, asking that a Municipal Hospital District be established to include the following territory described below.

In compliance with this request the Minister of Health established the Raymond Municipal Hospital District on the 15th day of June 1943, appointed a Provisional Hospital Board and instructed it to meet on the 24th day of June, 1943, to prepare a plan for the building and operation of a hospital in the said district, in accordance with the Municipal Hospitals Act.

The Provisional Hospital Board met and prepared the plan follows:

All of Township 4, Range 19, W. 4th M.
All of Township 5, Range 19, W. 4th M.
All of Township 6, Range 19, W. 4th M.
All of Township 7, Range 19, W. 4th M.
All of Township 4, Range 20, W. 4th M.
All of Township 5, Range 20, W. 4th M.
All of Township 6, Range 20, W. 4th M.
All of Township 7, Range 20, W. 4th M.
Section 22, 23, 24, 25, 26, 27, 31, 35 and 36 of Twp. 5, Range 21, W. 4th Meridian
All of Township 6, Range 21, W. 4th M.
All of Township 7, Range 21, W. 4th M.
Fr. of Township 7, Range 22, W. 4th M., comprising fractions of Sections 19, 25, 26, 34, 35, and 36 lying North and East of the St. Mary's River.
THE TOWN OF RAYMOND.
THE VILLAGE OF STINDING.

The Hospital Plan submitted by the Provisional Board upon which the ratepayers will be asked to vote is as follows:

(1) To acquire a suitable site in or adjacent to the Town of Raymond, and erect thereon a fifteen bed hospital from plans prepared by a registered architect and approved by the Provincial Board of Health.

(2) To provide for an Operating Room, a Case Room and all essential furnishings and equipment as required in the regulations made under the provisions of the Hospital's Act.

(3) To supplement the revenue derived from taxation by the adoption of a schedule of fees as follows:

(a). To all ratepayers assessed in respect of property within the Hospital district and their wives, dependent families and domestic female help of such ratepayers who are resident with them, a per diem rate of one dollar (\$1.00) the rate of one dollar (\$1.00) shall be assessed a minimum tax of Ten dollars (\$10.00) per annum.

(b). Non-ratepayers in the Hospital district may receive hospital treatment at the rate of One dollar (\$1.00) per diem, upon payment of a yearly sum of Ten dollars (\$10.00) per family providing this sum is paid within thirty days (30) of the opening of the hospital and thereafter not later than January 1st in each year except that persons entering the Hospital District must pay this sum within three (3) months after coming to the district. The Board retains the right to refuse to accept this payment if, in its opinion, it is made for the purpose of receiving immediate Hospital treatment. In this paragraph the family shall mean the father, mother and dependent children only.

(c) Every person resident outside the boundaries of the Hospital district who pays the Outside Hospital Supporters fee of Fifteen dollars (\$15.00) to the Secretary-Treasurer of the Hospital District, on or before the 10th day of January in any year, shall be deemed to be a Hospital supporter for the calendar year.

(d) No charge will be made for ordinary drugs and dressings, operating room or case room for the persons eligible for the per diem rate of one dollar (\$1.00), but the regular schedule of fees will be made for X-ray.

(e) All persons not eligible for the per diem rate of one dollar (\$1.00), shall pay not less than three dollars (\$3.00) per day, with additional charges for drugs and dressings and operating and case room charges as follows:

Major operations . . . \$16.00
Minor operations . . . 5.00
Case Room . . . 5.00
X-Ray Regular schedule of fees.

NEWS NOTES

Rayo Woolf and Rulon Dahl were in Lethbridge Tuesday on Stampede business.

Mr. and Mrs. Niel Fisher of Missoula, Mont., and Mr. and Mrs. Kimball Fisher of Salt Lake City, Utah, are Raymond visitors with relatives and friends.

Lloyd Heppler and family were in Magrath last Thursday for the funeral of Lloyd's father, John R. Heppler who died at an advanced age after a lengthy illness.

(f) Extra charges for ratepayers or non-ratepayers requesting private accommodation and receiving such accommodation shall be set by the Board and be subject to the approval of the Department of Public Health.

(4) The Board may enter into agreements with City Hospitals for the care of special and emergency cases, certified by the attending physician, which cannot be adequately hospitalized at the Raymond Municipal Hospital.

(5) The estimated capital expenditure upon the proposed Hospital and equipment is the sum of Forty-two thousand Dollars (\$42,000.00), and it is proposed to create a debenture indebtedness of \$42,000.00 for twenty years at 5 per cent.

(a) It is proposed to repay said debentures in equal annual installments of combined principal and interest for a term of twenty (20) years.

(6) The plan for the proposed Revenue and expenditure.

(a) REQUISITION
M.D. Sugar City,
No. 137 . . . \$8,986.50

TWO-THIRDS of the total number of loans outstanding in Canada's Chartered Banks average less than \$500 per loan.

Through bank loans, Canada's Chartered Banks help Canadians to benefit themselves, their fellows and their country. Many of these loans are small—but all contribute their share to the day-by-day activities of Canadian enterprise.

Some further facts about Canada's Banks:

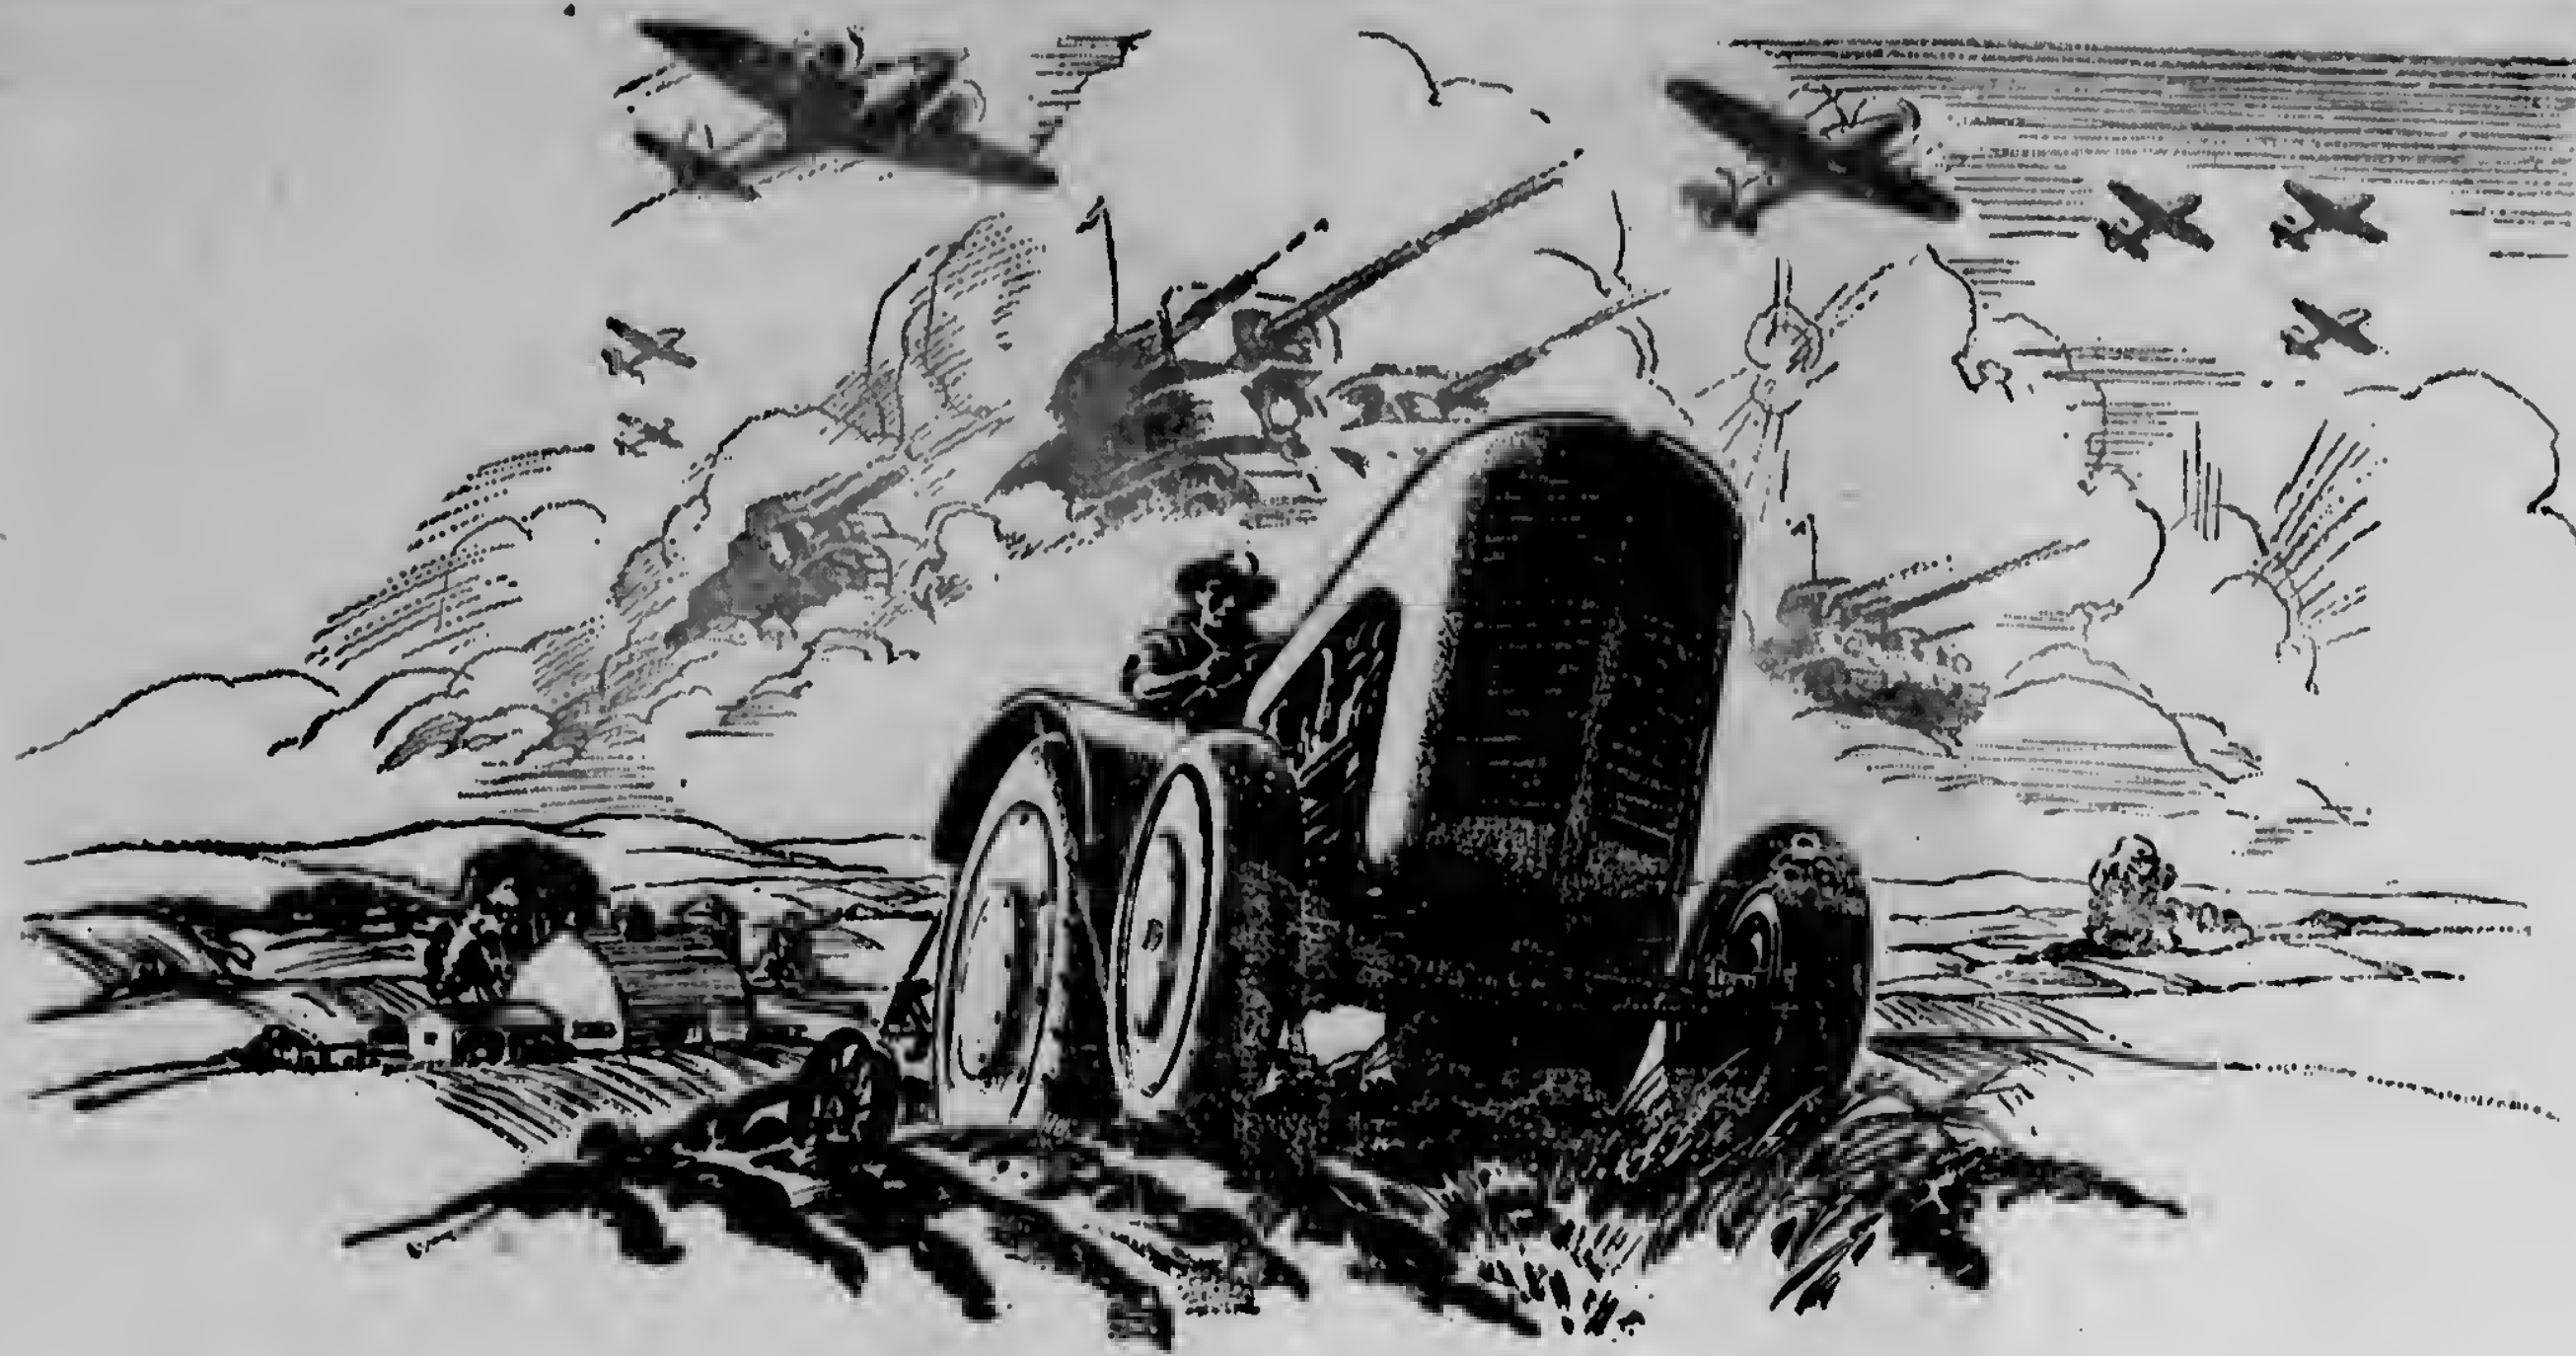

Chartered Banks' loans related to agriculture as shown on the last official return to Parliament, totalled \$340,118,473. This sum included loans to farmers, ranchers, fruit raisers and to grain dealers and grain exporters.

Every general manager today heading a Chartered Bank entered the bank as a junior in some small branch.

Up to and including February, 1943, no fewer than 6803 men and 154 women bank employees had enlisted in the armed forces.

Canadians in every walk of life and in every part of Canada are served by more than three thousand branches and sub-agencies maintained by the Chartered Banks to facilitate the nation's business.

THE CHARTERED BANKS OF CANADA

YOUR FARM is the Battlefield ON THE HOME FRONT...

WORRIED about your farm machinery lasting? You've a right to be! Because, when your farm machinery quits, you're stuck.

So, don't gamble. Give every piece of your farm equipment a chance to give you longer, uninterrupted service.

You can do this by keeping it properly lubricated with McColl-Frontenac farm lubricants. Outstanding amongst which are:

**RED INDIAN MOTOR OIL and
RED INDIAN AVIATION MOTOR OIL**

Here are two great oils that will lengthen the life of any engine. They ensure full power and economy under all operating conditions. These finer oils combat acid corrosion, friction, waste and wear. They stand up under highest engine heat... they flow and lubricate the moment the engine starts.

TEXACO MARFAK
For Wheel-Bearings and
Vital Friction Points.

This famous lubricant lasts longer and lubricates better under the toughest working conditions. It is self-sealing and

HELP WIN THE WAR BY RETURNING EMPTY DRUMS PROMPTLY

MCCOLL-FRONTENAC PETROLEUM PRODUCTS
FOR THE FARM

keeps the working lubricant in where it is needed most, prolonging life of bearings and universal joints by keeping out rain, mud and dust.

URSA X (CANADA)**

The Perfect Motor Oil for Diesel and Heavy-Duty Gasoline Engines.

Highly resistant to the formation of gum, sludge and carbon, Ursa X** (Canada) keeps rings, ring grooves, valves, screens and filters clean. Provides maximum bearing protection. Ensures full power and lower fuel consumption.

Get a supply of these and other "fighting" lubricants for the farm from the McColl-Frontenac Representative in your district. Keep your equipment in fighting trim.

FREE

Here's a handy, everyday reference book. It tells you how to make an economical farm workshop, how to properly hitch implements to tractor, and a hundred other ways to save time, money and labour 'round the farm. Write today for your free copy to McColl-Frontenac Oil Company Limited, Montreal, Toronto or Calgary.

PELHAM RICHARDSON

Mr. Richardson, well known
to Canadian radio, was born in
England, but came to Kingston,
Ontario, at an early age. He
obtained his schooling in Canada
and after studied music in New
York and Los Angeles. Some of
his early network shows were
entitled "Prairie Half Hour,"
"Live, Laugh, and Love," "Me-
lody Lane." In 1928 Mr. Richard-
son conducted the "Little Sym-
phony," one of the original
studio orchestras in Canada,
and among the first to broad-
cast on a coast to coast net-
work. A Veteran in Canadian
radio, Mr. Richardson has met
with some unusual experiences.
His "worst moment" was when,
with seconds to go until broad-
cast time, the vocalist fainted!
Presence of mind and some
hastily applied first aid result-
ed in her recovery in time to
go on, with no indication to
the listeners of the near-disast-
er. Pelham Richardson's or-
chestra is heard on Tuesdays
at 11:00 p.m. CDT (10:00 p.m.
MDT) over CBK and stations
of the Western network.

WANTED IMMEDIATELY —
